## 5. BRIEF ESSAY

Please write a **1-page** (no more!) essay about **why** you would like this **research experience**. This essay should include your research interests, **as well as broad research areas** (think of courses you've taken and the research of our Emory Sociology faculty) that you would be willing to work in (the broader your interests, the more likely we will have a project that interests you!). [You may write your essay in this form.]
